

Spero Family Services is a Christ-centered organization committed to providing hope, help, and healing to youth and families in need across Southern Illinois. Through 13 different programs such as Youth Homes, Foster Care, Counseling and Wellness Center, Bright Start Early Learning Center, and more, we walk alongside those we serve as they overcome trauma and build brighter futures.

Our Church Relations Program is a vital bridge between Spero and the faith community. We invite churches to join us in ministry through prayer, service, and support. Volunteers and mentors play a powerful role in the lives of our youth, and we're always looking for caring individuals who feel called to serve.

Want to learn more? We offer guided tours of our Mt. Vernon campus so you can see our mission in action. You can text SPERO to 26989 to make a donation or visit our website by scanning the QR code below to learn how you can get involved.
